INTRO

arpeggio x2

Dadd9 Dadd9 Cmaj7 G7/13

Travel along the Sunshine Coast
One of the places that I love the most
Rocky beaches, driftwood and shells,
The many stories that I could tell

Dadd9 Dadd9 Cmaj7 G7/13 full strum

The smell of salt water lingers in the air
The gentle breeze as it brushes my hair
The calming sound of the waves rolling in
Wind whispers, to let me know you're here

CHORUS

C G C G

It's calling me
Back to the sea
Where I wanna be
Just you and me

C G C G

INTERLUDE

Am7 Am7 Am7 G
Am7 Bm Bm C D# G

Dadd9 Dadd9 Cmaj7 G7/13

Searching for shells along the rocky beach
Footsteps in the rippled sand
Turned up rocks and tidal pools
What will we find? A memory for you

I'm gonna travel along the Sunshine Coast
One of the places that I'm loving the most
Not a worry, not a care
Just happy to be back there

OUTRO

Back to the sea Just you and me
Back to the sea
