A D

sun in my eyes
cool breeze on my back
the willow's branch stands bare and ready to renew

dewey grass underfoot
warm sun on your face
a new green shoot sprouts through the dark and earthy soil

G A

from a winter sleep
will he follow my lead?
from a long and sleepless sleep

G A x2

from a winter sleep
will he follow my lead?
from a long and sleepless sleep

CHORUS

C#m7 Bm7-D

i don't know i don't know it's whispering snow
i don't know i don't know am i ready to go?
i don't know i don't know it's whispering snow
i don't know i don't know it freezes my soul

essence of you
colours my world
you are but a few words
glowing on my screen

but is this really you?
will i follow your lead
from a long and sleepless sleep?

i don't know i don't know it's whispering snow

here i go again
a seventeen year long winter
and we were just friends
my heart is splintered frozen
unyielding over time
